13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes				
Planned upgradation of Laboratories by purchasing equipments, and collection development of Library, with the funds received under RUSA2.0 grant	Expenditure of Rs.1355804/ incurred on procurement of laboratory equipments, and books as required under the new syllabus of semesterized CBCS, for all the departments.				
Development of second campus by utilizing the funds received under RUSA 2.0 grant	Amount of Rs.70 lakhs from the 1 st instalment of RUSA 2.0 grant, allocated for construction of building in second campus, transferred to PWD Govt. of West Bengal , and survey of land , soil testing ,completed and building plan prepared by them.				
Further development of ICT by utilizing the funds received under RUSA 2.0 grant	Amount of Rs.10.5 lakhs allocated for purchase of desktop and laptop computers, and projectors is awaiting utilization due to the G.O.reg. procurement through GeM and the procedural formalities for institutional registration in GeM to be done by the Dept. of Higher Education, Govt. of West Bengal.				
To organize Faculty Development Programme in Commerce jointly with Dept. of Commerce, University of Calcutta	The proposal has been accepted by the Governing Body, and submitted to Dept. of Commerce, University of Calcutta.				
To organize computer training programme in collaboration with Webel Technology Limited	Computer training programme of 72 hours' duration conducted w.e.f. September 2018, in collaboration with Webel Technology Limited				
No Files 1	Jploaded !!!				
14. Whether AQAR was placed before statutory body ?	Yes				
Name of Statutory Body	Meeting Date				
GOVERNING BODY	30-Sep-2019				
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No				
16. Whether institutional data submitted to AISHE:	Yes				
Year of Submission	2020				

Date of Submission	15-Feb-2019
17. Does the Institution have Management Information System ?	No

### Part B

### **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The College ensures strict adherence to the curriculum prescribed by the affiliating University for all courses offered. The Academic sub-committee comprising of Principal as Chairperson and all Heads of departments and University nominee in the Governing Body as members, meets at regular intervals to discuss and plan the schedule of curriculum delivery within the academic calendar framed by the University. Departmental meetings are also held for syllabus distribution among teachers. Lesson plans are prepared by individual teachers and compiled by each Department before submission of the same to the Principal and Academic sub-committee. Adherence to the Lesson Plans ensures completion of the syllabus on time before students appear for University examinations. Assignment of teaching responsibilities based on the curriculum is mostly done on the basis of individual teacher's area of specialization and competence to ensure effective delivery of the curriculum. Invited lectures are also organized by departments. Departmental seminars are organized at intervals for further enrichment of the curriculum delivery process. In some of these Seminars, students are encouraged to make presentations on curricular topics in order to judge their understanding and also to assess the effectiveness of curriculum delivery by the teachers. For quality enhancement of the faculty, research initiatives for doctoral/post-doctoral degree as well as undertaking research projects funded by UGC/DST etc. are always encouraged. The faculty also participate in Refresher courses/Orientation Programmes/ workshops on syllabi organised by the University for continuous up gradation of curricular knowledge and teaching skills. The College Library and the Departmental libraries are well endowed with text books and reference books of various disciplines based on the University stipulated curriculum. ICT based teaching is also encouraged for effective delivery of the curriculum. Remedial classes are held for slow learners to ensure effective communication of the curriculum across students of varying learning abilities. Additional study materials and referenced notes are also provided by the faculty to students to ensure effective learning. Feedback on individual teacher's performance is obtained from students by administering a structured questionnaire. Students' assessment of teacher's performance serves as a definitive institutional mechanism to ensure effective curriculum delivery.

1.1.2 - Certificate	1.1.2 – Certificate/ Diploma Courses introduced during the academic year										
Certificate	Diploma Courses	Dates of Introduction	Duration	Focus on employ ability/entreprene urship	Skill Development

1.4 – Feedback System						
1.4.1 – Whether structured feedback re	eceived from all the stakeholders.					
Students		Yes				
Teachers		No				
Employers		Yes				
Alumni		Yes				
Parents		Yes				
1.4.2 – How the feedback obtained is to (maximum 500 words)	being analyzed and utilized for overall	development of the institution?				
Feedback Obtained						
UG Final Year students fill up a structured Questionnaire to give their feedback about the institution. Such feedback is analysed by the IQAC at the end of each academic year. Students' responses to questions reg. institutional						

facilities are very carefully analysed for the sake of overall development. Efforts are made for continuous upgradation in infrastructure within the available resurces. Employers' feedback is of great importance in efficient management of available human resources. Suggestions from external members of the Governing Body are implemented as far as possible.

	ring system availab					mum 500 words maximum numb			

College was established with the motto of imparting holistic education to a maximum number of students mainly belonging to the underprivileged section of society. Teachers here are always ready to extend their cooperation when their students are in need of any kind of help, be it their familial problem or any financial crisis. Sometimes a few students despite their willingness to continue with their studies, are compelled to give it up due to pressure created by their families. As teachers here are always in touch with their students, they promptly try their best to resolve the problem and are often successful in their venture. Another noticeable point is, as most of our students are first generation learners, a few of them are sometimes unable to cope up with the syllabi of their subjects. In that case teachers do not hesitate to take special classes for these slow learners. Teachers here try to help their students not only with their curriculum based subjects but also in performing different extracurricular activities like participating in NSS camps to reach out to the less privileged, organizing blood donation camps, science exhibition etc. In other words, teachers here are really like friends, philosophers and guides of their students. Whenever students are in any kind of distress, teachers extend their helping hands to them like their friends. Teachers like philosophers try to eradicate the darkness of ignorance from their minds by delivering knowledge to them. Faculty members also play the role of guides as they provide their students with various support services in the form of career counseling and placement initiatives. Teachers like friends, philosophers and guides, play a vital role in the transformation of the young buds to fully blossomed flowers.

Number of students e institutio			mber of full	time teache	ers	Mentor : Mentee Ratio

2.5.2 – Reforms initiate	d on Continuou	s Intern	al Evaluatio	n(CIE) syst	em at th	ie instituti	onal le	evel (250 words)
2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words) As Netaji Nagar Day College is affiliated to the University of Calcutta so we are bound to follow the instructions of Calcutta University regarding the continuous internal evaluation procedure at the institutional level. In the UC Curriculum of 111 system the college conducts Mid-term tests for both Honours and General students. Prior to their Final University Examination all students belonging to Honours and General Courses of study, have to appear in Selection Test conducted by the college. From 2018 onwards Calcutta University has introduced CBCS (Choice Based Credit System) Accordingly our college follows the directive issued by the University of Calcutta regarding the holding of examinations. Students enrolled under the newly introduced CBCS, have to appear in Internal Exam. Of 10 marks, Tutorial Exam. Of 15 marks, 10 marks have also been allotted to the attendance of students admitted to CBCS curriculum. Ultimately the candidates have to appear in the final University Exam. Consisting of 65 marks in each paper. The college, in compliance with the reforms initiated by Calcutta University regarding continuous Interned Evaluation system (CIE), strictly adheres to them.								
2.5.3 – Academic caler rords)								
Humanities, Con	ar Day Coll	Postgr	aduate p	programme	e in C	ommerce	. Th	e curricula in

all these programmes are framed by the University of Calcutta to which the

college is affiliated, The institution does not enjoy the autonomy either in

framing the academic calendar or in preparing the examination schedule, both of which remain in the domain of the University of Calcutta, The college ensures strict adherence to the academic calendar of Calcutta University by holding classes as scheduled, conducting the internal examinations within the stipulated time, completing the internal evaluation process before students fill up forms for appearing at University examination, (Part I, Part II, Part III under the 111 annual system and also the newly introduced semesterised Choice Based Credit System.)

#### 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

#### 4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

Assigned Budget on academic facilities	Expenditure incurred on maintenance of academic facilities	Assigned budget on physical facilities	Expenditure incurredon maintenance of physical facilites
231000	231000	231000	231000

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The physical facilities including Laboratories, Classrooms and Computers etc. are made available for the students those who are admitted in the college. The students seek admission to desire courses are charged laboratory and development fees as per our fees structure at the time of the admission. Separate recurring funds are allotted to all H.O.D of the respective department for maintenance of the laboratories and the classrooms which is a part of the teaching and the learning processes. The classrooms, black boards and furniture facilities are utilized regularly by the students but sometimes it is also made available for the other governmental and the non-governmental organizations for conducting the exams like scholarships, WBJEE, PSC, UPSC, etc. if regular activities of the college is closed on that day . The maintenance and the cleaning of the classrooms and the laboratories are done with the efforts of regular staffs of the institute. The college has adequate number of computers with internet and Wi-Fi connections and the utility software distributed in different departments like MS-Office, Tally software for Accounts, Matlab, GPS Software, Circuit simulation, etc. for laboratories, KOHA Library management software for library, etc. All the stakeholders have equal opportunity to use those facilities as per the rules and the policies of the institution. The central computer laboratory and virtual classroom connected in LAN is open to all students when they required. The college library is also equipped with computers having internet and LAN facility for learning purpose of the students. Library is sharing the resources of INFLIBNET (Information Library Network) through Internet. There are 3,00,00,000 plus e-book materials and 4000 plus e- journals in N-List Program. The users of this library can access and download all e-materials in free of cost. It needs a password which is available in the library. The office computers are consisting of the office software making work easier and systematic. All Science departments have their own computers and laptop with internet facilities. The ICT Smart Class Rooms and the related systems are maintained by corresponding service provider as and when required. Generator, Electrical and the plumbing related maintenance is done with the help of Institute appointed skilled persons and the expenditure is done from yearly allotted budget approved by the competent authorities. The academic support facilities like library, the sports and other platforms supporting overall development of the students like NSS or Competitive examination cell etc. is open only to the college students. An yearly budget is allotted for maintenance of the college library. College ground is maintained from the allocated budget of the college fund. Sports equipments are purchased time to time as per requirement of the students from the annual budgetary allotment of the college fund or grant received from any other source.

### **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The College promotes a culture of decentralization and participative management. Institutional activities are conducted through various subcommittees comprising of teachers, staff and students. The Conveners of subcommittees hold meetings with members to discuss and finalize the modalities of conducting various events/activities. Special mention may be made of the following practices of decentralization and participative management during 2018-19 academic session: i) Time Table sub-committee successfully completed the work of framing the Time Table by incorporating the requirements of the semesterized CBCS , (newly introduced by the affiliating University) , with the existing annual system. ii) The work of functioning as a centre for University examinations was smoothly conducted through well coordinated efforts of teachers and staff. The practice of decentralization is very much evident in this crucial activity in which the responsibility of allotment of seats for examinees, distribution of answer scripts, obtaining examinees' signature , is shouldered by the non-teaching staff members, while the distribution of question papers, authentication of answer scripts after verification of admit card, and invigilation is the responsibility of the teachers. iii) Another practice of decentralization and participative management adopted by the institution during 2018-19 was the organizing of inter-college cultural and sports competition, "Utkarsha 2019", by the Students' Union independently.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

#### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	All admission procedures are conducted through online admission portal as per directives of the Higher Education Dept. and the University. The intake capacity for all courses as approved by the University is strictly adhered to by the College. Application forms for admission, payment of application fee, publication of merit list and payment of admission fee are all completed through online admission system so that candidates do not need to be physically present for admission.
Industry Interaction / Collaboration	MoU has been signed with Webel Technology Limited for computer training programme for students during the year.
Human Resource Management	The quality of human resources available is sought to be continuously upgraded through training/re-training and proper encouragement and motivation. A workshop on inner awareness and personal growth was

	organised for the teaching and non- teaching staff members on 22.09.2018. Optimal utilization of available human resources is planned to be achieved as all staff members participate in various institutional activities as members of different sub-committees. Students are encouraged to participate in co-curricular and extra-curricular activities so that their talents may be groomed along with academic pursuits
Library, ICT and Physical Infrastructure / Instrumentation	Further up gradation of the Library, Laboratories and ICT infrastructure has been undertaken in accordance with the new syllabi of semester system introduced by the University during 2018-19. An amount of Rs. 1355804/- has been utilized for this purpose during the year from the RUSA 2.0 grant received by the College. New campus development has also been undertaken for which Rs. 70 lakhs has been transferred to PWD, Govt. of West Bengal, from RUSA 2.0 grant during the year.
Research and Development	One research project funded by the Dept. of Science Technology, Govt. of West Bengal has been undertaken in the Dept. of Zoology. Six faculty members have undertaken doctoral research work during 2018-19. Two members of the faculty have been awarded Ph.D during the year. Faculty members participated in UGC sponsored Orientation Programme, Refresher Course, Short Term Course and in Seminars/ Workshops for updating their knowledge base, improving their knowledge imparting skills in order to ensure effective delivery of the revised/updated content of the curriculum to the students.
Examination and Evaluation	Internal Assessment Examination and Practical/ Tutorial Examination as stipulated under the newly introduced semester system by the affiliating University have been conducted smoothly as scheduled for all the courses offered by the institution. Prompt evaluation of answer scripts and online submission of marks to the University have been ensured.
Teaching and Learning	Learner centred teaching is practised by addressing the learning abilities of advanced and slow learners. Teaching assignments are based on individual teacher's area of specialization.

	Invited lectures, departmental seminars, student presentations are organized for continuous enhancement of the quality of teaching and learning. Remedial classes are held for slow learners. Advanced learners are provided with additional reference materials by the faculty.
Curriculum Development	The faculty makes all efforts to develop the curriculum stipulated by the affiliating University according to the learning abilities of students and also to develop their competencies for future employment. The given curriculum is supplemented with communication of contemporary developments within each discipline and its relevance in the national and international sphere. This allows students to connect pedagogical concerns of the curricula to the everyday world that surrounds them and also relate the curricula imparted to a larger context.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
	All members of the Planning Development sub-committee are informed about the meeting s to be held through e mail. Resolutions of previous meeting are also sent to them through e mail. All correspondence to Executive Engineer, Kolkata South Division, PWD, Govt. of West Bengal, in respect of new campus development from RUSA 2.0 grant, is done through e mail. Utilization certificate in respect of infrastructure grant received by the College under RUSA 2.0 is submitted periodically to RUSA Cell of the Higher Education Dept. through e mail.
Administration	Directives from the Higher Education Dept. and from the University of Calcutta are received online and necessary information in compliance to such directives are sent through e mail.Teachers are encouraged to submit all applications through e mail. External members of the Governing Body are kept informed about institutional issues and activities through email.
	All accounts of the institution are computerized through Tally. Grants from the Higher Education Dept. and from UGC are received through direct credit to bank account of the institution under

[]		PFMS. All payments relating to
		utilization of grant received under RUSA 2.0 are done electronically through PFMS. Salary bills for all
		employees under Govt. Pay Packet Scheme are submitted online since the introduction of IFMS in
		2018.Disbursement of salary through IFMS is directly to beneficiaries' bank account. For employees on College pay,
		salary is disbursed to beneficiaries' bank account through payment advice to the concerned bank. Student fees are
		received through bank.
Student Admiss	ion and Support	Admission to all courses offered by the institution takes place through online admission portal. Application forms available on the portal are submitted online by the applicants along with payment of application fee
		through State Bank Collect. After proper scrutiny of all applications received online, the Merit List is published online on the Admission
		Portal as well as on College website. All Notices and announcements regarding admission are published online. Admission fees are also received
		through State Bank Collect. Thus, the entire admission process is completed electronically. Applications for cancellation of admission are received through email and processed online.
Exami	nation	The affiliating University issues online all notifications regarding Examinations. Students fill up online
		form for appearing at University examination and the same are approved online by the College after
		verification. Examination fees have to be deposited by the College to the
		University through State Bank Collect after collecting the same from students through bank account of the College.
		The University issues Admit cards online and the same have to be downloaded by the College for
		distribution among students who will appear in University examinations. All documents relating to allotment of
		examination centre by the University
		are received online and the institution accordingly conducts the University examinations. The marks of Internal
		Assessment, Tutorial/Practical examinations have to be submitted online to the University. Teachers

#### serving as examiners for Theoretical/ Practical examinations conducted by the University also have to submit the marks online through College login.

#### 6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Internal Audit : The College has its own internal audit mechanism operated by the Internal Auditor who is assisted by the Accounts section of the College Office. The internal mechanism for passing bills and making payments is strict and foolproof. All the financial decisions are taken by the Finance Sub-Committee and finally approved by the Governing Body to ensure strict financial discipline. External Audit : The external audit is conducted every year by the Government appointed statutory auditor nominated by the Government of West Bengal. The Accountant with the help of internal auditor prepares the accounts and places them first before the Bursar for approval, and then places them before the Finance Committee. The recommendations of the Finance Committee are then placed before the Governing Body by the Principal/Secretary of the Governing Body. It is then placed for audit. Annual audit has been completed till the financial year 2017-18.There is no major audit objection.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

through charts and models, and provides ample scope of learning beyond the curriculum. ? The Practice: Annual Exhibition of the College was held on 29th and 30th January 2019. The theme of the exhibition was "Sports Education: An Interdisciplinary Approach". Renowned sports personalities, Mr. Kanu Majumdar, Secretary, West Bengal Body Building Association, and Mr. Samir Ghosh, Mr.Universe 2008, addressed the students in the inaugural session of the exhibition. Students from Commerce, Humanities and Science streams participated in this exhibition with great enthusiasm. There were 28 number of exhibitor groups comprising of three to four students in each group. Each group presented their innovative ideas about the theme through charts and models. The best presentations were awarded. ? Evidence of Success: The spontaneous participation of a large number of students in this exhibition and the enthusiasm among all students, teachers and staff about this event indicates its success. The diverse range of innovative presentations by students proves that the institution's endeavour to nurture the creative minds of young learners by organising an annual exhibition, is successful. ? Problems encountered and Resource Required: i) Non-availability of a well furnished exhibition hall within the College premises for organising the exhibition. ii) Allocation of sufficient funds for the exhibition from internal resources. iii) Time constraint for co-curricular activities as the semester system provides limited number of class days for completion of syllabus prescribed by the affiliating University. Best Practices (B) ? Title of the Practice: Organising inter-college sports cultural meet- "Utkarsha 2019" ? Goal: To promote healthy competition among students of neighbouring colleges and thereby achieve higher standards. ? The Context: The College, though located in the city of Kolkata, caters mainly to students from economically less privileged sections of the society, and many of them are first generation learners. The same is true for the neighbouring colleges located in the southern fringes of the city. These students generally do not get the opportunity to develop their inherent sportsmanship and/or cultural abilities from childhood. Hence the idea of organising inter-college sports cultural meet- "Utkarsha " from 2019 onwards, with the goal of bringing out and nurturing the inherent talent of young learners, promoting healthy competition among them and also build up strong ties with the neighbouring colleges. ? The Practice: Inter College sports and cultural competition , "Utkarsha 2019", was held during 12th to 14th March, 2019, in the college premises. The entire responsibility of organising the programme was borne by the Students' Union. Teachers' participation was in the form of acting as Judges for the various events. Students from six neighbouring colleges and from the host college participated in Football, Kho-Kho, Tabile Tennis, Carrom as Gaming events. The other events were Essay writing, Debate, Extempore, Solo Dance, Solo vocal, etc..The best performers were awarded. The inter college competition was held in a spirit of mutual friendship, trust and good will among the students of neighbouring colleges. ? Evidence of Success: The great enthusiasm among the participants from neighbouring colleges as well as among those from the host college indicates that this inter-college competition organised for the first time by Netaji Nagar Day College was definitely successful. This programme helped to explore and identify the talents among young learners. Students from the host college could interact with students from other colleges which proved to be mutually beneficial. ? Problems encountered Resource Required: i) Availability of time within the academic session to devote for such a programme. ii) Availability of funds from internal resources for such activities.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Any educational institution will provide education and pedagogical support to its students. Where Netaji Nagar Day College differs from other educational institutions is that it aspires to make its students progress in the spheres of culture, sports and education related programmes beyond the mundane classroom teaching as well. Hence commensurate with its Vision of providing holistic education to its students, Netaji Nagar Day College encourages its students to participate in intra- as well as inter-College sports and cultural events. Teachers of all departments are advised to organize events such as debates, recitations, invited lectures, student seminar etc. In the field of sports, the students participate in District level sports organized by Govt. of West Bengal, University of Calcutta as well as football competition organized by private companies like Reliance etc. The programme Utkarsha, organized by the Students body of the College, is an amalgam of cultural and sports events where students participate in Carrom , Table Tennis, Football, Kho-Kho on the one hand, and in singing, dancing, debate, news reporting and quiz on the other. Through this the College aspires to equip its students with experience in extracurricular and Co-curricular activities, which defines holistic education (envisaged in the Vision of the College ) in a true sense.

#### 8. Future Plans of Actions for Next Academic Year

Future Plans Of Action For Next Academic Year 1. To ensure the completion of restrengthening work of one building of the College, initiated in March, 2019, due to its distressed condition 2. To organize workshop on new syllabus of B.Com Semester VI for the faculty of Commerce Department of UG Colleges in collaboration with UG Board of Studies in Commerce of the University of Calcutta. 3. To introduce Add-on Course on Finance Accounts for Business Process Services in collaboration with Tata Consultancy Services, Kolkata, for enhancing employability of students graduating in Commerce. 4. To introduce Training Programmes under the scheme of West Bengal Swarojgar Corporation Ltd., for grooming students for self employment. 5. To organize Inter-College sports and cultural competition - Utkarsha 2020, with participation of students from all neighboring Colleges. 6. To organize Annual Exhibition in the month of January or February, 2020. 7. To undertake outreach programmes in the form of i) Blood donation camp ii) Health Camp for elderly persons of the neighborhood 8. To organize awareness programmes for sensitizing students about i) Tobacco consumption and its ill effects ii) Prevention of Dengue and other vector borne diseases iii) Thalassaemia and its control iv) Mental Health.
