Sir,

This is to inform you of an extremely serious incident that took place at Netaji Nagar Day College Centre (Centre Code 057) on 22.01.2025 in the evening. Three students of **Bhawanipur Education Society College**, acting as miscreant, locked two doors of Room No. MB-14 at the time of their departure after their exams ended at 5 PM. As a result, when examinations resumed on 27.01.2025, we were put under great stress to find such a situation and the examination scheduled to be held in Room No. MB-14 had to be relocated instantly.

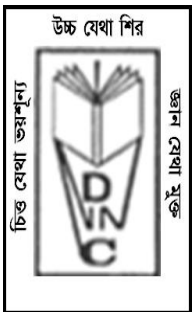

The miscreants have been identified from CCTV recording which is attached herewith (please use VLC media player to see the recording- start time 17:04:29 , end time 17:06:33).

You will appreciate that what they have been done is not just unbecoming of a student and examinee, but also a serious offence. You are formally informed of the incident with the request to take the strongest possible action as per extant rules of the University of Calcutta.

Sir,

Sub.: Reporting the duplicate mapping of our Digital signatures in the name of unknown person, Swapan Dey , as visible in the site Tenders West Bengal(The West Bengal Government eProcurement system)

I hereby express our serious concern about the matter that while uploading eTender in the Tenders West Bengal site using our newly procured DSC eMudhra dongles in the names of Dr. Sonali Banerjee Jash (Principal, Netaji Nagar Day College) and Sri Kartik Chandra Kundu(Bursar, Netaji Nagar Day College), we are unable to proceed

as the site is showing the remarks “This certificate is already enrolled with another loginid” , and
“ Failure: certificate is already used by another user”, (screenshots attached herewith). This is despite the fact that the dongles are all along in my possession and have not been shared with anyone else.

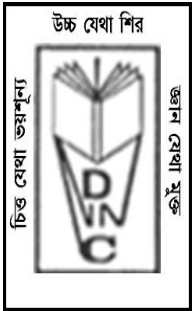

As the DDO of a Govt. aided College, my credentials are already registered for Digital signature in the IFMS portal of Govt. of West Bengal for salary of employees and other financial purposes relating to this College. Therefore, I am extremely worried at the duplicate mapping of my newly procured Digital signature through eMudhra in the name of some unknown person Swapan Dey, as visible in the site for eTender.

Under the circumstances, I request you to kindly look into the matter so that the security of online activities and transactions of this College can be maintained.
Thanking you.
